Look

Look at them go

Thinking they know

Are they sure?

Cruel

Cruel are their ways

Numbered their days

You can't repay

Watch

Watch as they run

The race has been won

They're dying to play

You

Watching their crying

Checking their time

As slowly they die

You feed me a line

We'll travel to the sky

But you leave me behind

I could never run away

No, I could never run away

This time

Watch

As gypsy girls play

Pirates boys stay

You turn to hate

Sneak

To backward hotels

Making their hell

Before it's too late

Catch

The worker bees go

Sinking so low

Each one alone

Watch

As their worlds collide

And you're stuck inside

Keep them alive

You feed me a line

We'll travel to the sky  
But you leave me behind  
I could never run away  
No, I could never run away  
This time...

Now I know  
What haven't I been told  
World is crying so loud  
Stuck and sick  
And my wings been clipped  
Lift me up  
Off the ground  
Hear...  
Hear me now

Oh oh oh oh  
Oh oh oh oh  
Oh oh oh  
Oh oh oh oh  
Oh oh oh...
