We've been going back and forth
I'm waiting for the day you call me
I think I can do it on my own
Swinging like a pendulum
The time ticks by until it's gone
I'm thinking that
The sun has never shown

Time is gonna start
It's never gonna stop
Time is running out
Going into shock
'cause you're
Too late
Too late
Too late
Oh oh oh oh oh

Never quite the effort-maker
I see you're not nearly ready
I think I can do it on my own
Just too late and still too little
I just seemed to miss you crawling
Never thought the day would come I know

Time is gonna start
It's never gonna stop
Time is running out
Going into shock
'cause you're
Too late
Too late
Too late
Oh oh oh oh oh

Time is gonna start
It's never gonna stop
Time is running out
Going into shock
'cause you're
Too late
Too late

Too late

You're too late

Too late

Too late

You're too late

Not quite

The same

Oh oh oh oh oh...
