He's going to Cambodia  
He's going in a plane  
Charlie don't like Charlie 'cause they both have the  
same name  
He hasn't been to Vietnam since 1975  
Charlie don't let Charlie catch you in the jungle alive

Charlie's going to Cambodia today  
Charlie don't let them take you away  
And if Charlie doesn't fight  
He'll be going there to stay  
Charlie goes to Cambodia today!
