Don't trust the humanoids they'll stab you in the back
They'll chop you into pieces and put you in a sack
Don't trust the humanoids they're from outer space
So toss me the old death ray and I'll put 'em in their
place

Well you're just another shithead
And I'm not a part of your plan
I'm gonna through you in the road
And run you over with my van

Don't trust the humanoids they'll stab you in the back
They'll chop you into pieces and put you in a sack
Don't trust the humanoids they'll kick you in the face
So toss me the old death ray and I'll put 'em in their
place

Well you're just another shithead
And I'm not a part of your plan
I'm gonna through you in the road
And run you over with my van

Well you're just another shithead
And I'm not a part of your plan
I'm gonna through you in the road
And run you over with my van
