I think about you in the morning
I think about you all day-a
I think about you when I'm walking
That's why I'm skipping on my way-a

Well you've got to be
The most beautiful girl that I've ever seen
And I'd love to stay and try to
Describe just how I feel

Well I'm not into huffing gas
And I'm not into sniffing glue
But baby baby baby I'm hooked on you

Well Timmy likes to smoke his cigarettes
And Kody he likes to chew
But baby baby baby I'm hooked on you

I think about you in the morning
I think about you all day-a
I think about you when I'm walking
That's why I'm skipping on my way-a

Well you've got to be
The most beautiful girl that I've ever seen
And I'd love to stay and try to
Describe just how I feel

Well I'm not into huffing gas
And I'm not into sniffing glue
But baby baby baby I'm hooked on you

Well Timmy likes to smoke his cigarettes
And Kody he likes to chew
But baby baby baby I'm hooked on you
