I got abducted by a ufo
And where we're going I don't know
But all I know is that I'm gonna get home

I got abducted by a ufo
And where we're going I don't know
But all I know is that I'm gonna get home

I'm gonna write my mom each and every day
Tell her I'm alright tell her I'm okay
And I'll tell her where we're going today

Well I don't know
Don't wanna go
With the ufo
Just let me go home

I got abducted by a ufo
It took me on a trip down to mexico
But all I know is that I'm gonna get home

Took me last night across the usa
And I know things are gonna be okay
When I get back to sunny californ-i-a
