I saw the apeman, walking on the moon
I saw the apeman, walking on the moon
I saw the apeman, he's lookin' fine
I saw the apeman, drinking turpentine

Put him the rocket, put him on the blimp
Send the apeman up instead of the chimp

I saw the apeman, walking on the moon
I saw the apeman, walking on the moon
I saw the apeman, he's lookin' fine
I saw the apeman, drinking turpentine

Put him the rocket, put him on the blimp
Send the apeman up instead of the chimp

I saw the apeman, walking on the moon
I saw the apeman, walking on the moon
I saw the apeman, he's havin' a bad day
Because Neil Armstrong, took his banana away

Put him the rocket, put him on the blimp
Send the apeman up instead of the chimp
[x2]

I saw the apeman
I saw the apeman on the moon
