It's Mars versus Hollywood, a clash of freaks
See the Martians shoot 'em as they run through the streets
Hey it's Mars versus Hollywood, they're having a good time

It's Mars versus Hollywood, who's gonna win?
I'll put my money on the little green men
Hey it's Mars versus Hollywood, they're having a good time

And I wanna see the Martians attack with a death ray
So I'm packin' my bags and headin' out to LA

In Mars versus Hollywood
In Mars versus Hollywood
Who cares about some movie they made
When the Martians start to invade

In Mars versus Hollywood
In Mars versus Hollywood
Who cares about some movie they made
When the Martians start to invade

It's Mars versus Hollywood, a clash of freaks
See the Martians shoot 'em as they run through the streets
Hey it's Mars versus Hollywood, they're having a good time

It's Mars versus Hollywood, who's gonna win?
I'll put my money on the little green men
Hey it's Mars versus Hollywood, they're having a good time

And I wanna see the Martians attack with a death ray
So I'm packin' my bags and headin' out to LA

In Mars versus Hollywood
In Mars versus Hollywood
Who cares about some movie they made
When the Martians start to invade

In Mars versus Hollywood
In Mars versus Hollywood
Who cares about some movie they made
When the Martians start to invade

When the Martians start to invade
When the Martians start to invade
When the Martians start to invade
When the Martians take 'em all away
