"One Armed Man"

I'm gonna draw my gun
Price on your head
So you'd better run

Not gonna hang out
You're gonna wish
They'd thrown your ass in jail

Now don't you wet your pants
We'll duel in the street's
Gonna make you dance

Not gonna hang out
You won't stand
A chinaman's chance in hell

Because I took nine
And your dumb ass took ten
Shot you in the back
And took your loot
And I'd do it again

And that's what you get
When you mess with the one armed man
If I had two arms I'd give myself a hand
