I saw her just last night, cheering at the football game
Well I swore she smiled at me, I swore she called my
name

I'm gonna make her mine, just you wait and see
All the guys will beat their heads, when she's with me

Pom Pom Girl, drives me crazy don't you know
Pom Pom Girl, when she yells out GO GO GO!
Pom Pom Girl, well I'm gonna make her mine,
And she can cheer for me all the time.

I saw her just last night, cheering at the football game
Well I swore she smiled at me, I swore she called my
name

I'm gonna make her mine, just you wait and see
All the guys will beat their heads, when she's with me

Pom Pom Girl, drives me crazy don't you know
Pom Pom Girl, when she yells out GO GO GO!
Pom Pom Girl, well I'm gonna make her mine,
And she can cheer for me all the time.

Pom Pom Girl, drives me crazy don't you know
Pom Pom Girl, when she yells out GO GO GO!
Pom Pom Girl, well I'm gonna make her mine,
And she can cheer for me all the time.

Pom Pom Girl, drives me crazy don't you know
Pom Pom Girl, when she yells out GO GO GO!
Pom Pom Girl, well I'm gonna make her mine,
And she can cheer for me all the time.
