### **"Russian Attack"**

Visit "[Russian Attack](#)" on [MotoLyrics.com](https://MotoLyrics.com)

They came from the sky with their parachutes on  
Soviet troops, Operation Red Dawn  
Bolshevik Commies from the cold war  
Back to attack the American shore  
They came through the water in their submarines  
Soviet troops packed like sardines  
Fifty states under red alert  
Ready to face the communist troops  
GO!

Russian Attack! [x2]

They came from the sky with their parachutes on  
Soviet troops, Operation Red Dawn  
Bolshevik Commies from the cold war  
Back to attack the American shore  
They came through the water in their submarines  
Soviet troops packed like sardines  
Fifty states under red alert  
Ready to face the communist troops  
GO!

Russian Attack! [x4]
