Don't talk to me  
I don't want to hear about  
The same thing constantly  
That's something I can live without

'Cause my head like my apartment is an overcrowded  
fucking mess,  
Full of shit that takes up space and causes stress  
I should kick you out and put myself under house arrest  
And lose the key

I can't take it so vaporize my brain  
I can't take it so vaporize my brain  
I can't take it so vaporize my brain  
I can't take it so vaporize my brain

Let's go!

Don't talk to me  
I don't want to hear about  
The same thing constantly  
That's something I can live without

'Cause my head like my apartment is an overcrowded  
fucking mess,  
Full of shit that takes up space and causes stress  
I need you to shut your mouth and please give it a rest  
And leave me be

I can't take it so vaporize my brain  
I can't take it so vaporize my brain  
I can't take it so vaporize my brain  
I can't take it so vaporize my brain
