If you knew what you wanted  
Youâ€™d be dangerous like Jake LaMotta  
Or a gun in the hand of a papas only daughter,  
Now you walk into storms â€™cause ya feel itâ€™s  
waiting to belong  
You look â€™em in the eye as if they could reply and  
concede  
Now you walk into storms â€™cause you feel itâ€™s  
where you can perform  
I see you shut down and shiver and shake  
Oh baby bend with me,  
Before we break

It was true oh believe it  
You threw me to the quick - \*(unknown)\*  
We could dance through ash and cinders  
And leave before the death of this song  
Oh and you walk into storms like they call it on into  
perform  
You look â€™em in the eye as if they could reply and  
concede  
And oh you walk into storms,  
Cause you feel thatâ€™s where you do belong  
I took his \*(unknown)\*  
I see you shut down, shiver and shake  
Oh baby bend with me,  
Before we break

(Think it over) X 4

Oh, think it over

Only the skies and the sugar and shame  
I took them all on when I took your name  
But this chaos, itâ€™s like a seance  
And just too little to say  
Oh and you walk in a storm but you've shut down,  
and you shiver and shake  
Oh baby bend with me, before we break

Oh think it over,  
Think it over

Ooh, think it over,  
Think it over
