Reason is over now
Credence has been lost
Frozen, my time is now
Broken is my soul

Even though, I can't seem to stay away
So much more has to be seen and will go my way
You've taken all I wanted
You've taken all I needed
Drown my fear and anxiety
Never hear what you say to me

Bleeding my wound won't close
Ending and yet so close
Tears left dripping at all costs
Fists clenched tight, ready for war

When we fight we must prevail
All hail - all hail to me
