

The Livid "Sink"

Visit "[Sink](#)" on MotoLyrics.com

Walking away makes me feel much better
About my mistakes, it makes me feel so clever
Watching this break, what would it take
For you to look into my eyes

I'll wake you up when it's all over
Keep a straight face, pretend I'm sober
Pretend I'm fine - I'm out of my mind
I'll pick you up when you fall over
Being your crutch I'll be your motor
I'll push you forward

I'll stay here
Lost in this ocean
Without you I can't swim
And the water makes my head spin
And sink

Talking this way makes you look much better
Efforts so fake, you make me wait for ever
Saying what you say, the words you play
Contribute to your stream of lies
