

The Livid "Sixteenth"

Visit "[Sixteenth](#)" on MotoLyrics.com

When you left, my heart came along
Nothing mattered I couldn't stay strong
You were a part of me for so long
What you left behind were memories, memories

And I never got to say goodbye
You'll always be a part of me
I still miss you to this day

I always took it all for granted
Never thought it would end this way
As I look back, I clearly remember that day

Every day
I wish you hadn't gone away
My heart is empty without you
I still miss you to this day

When the lights dim for me, you'll be there too
What was meant for you was meant for me too
All this loneliness I hold up inside
Will be memories, memories
