Move on
Free me from this life that I've thrown away
I'm torn
In between what I want and what's best for me
I'm lost
In this dream that no longer exists for me
And I can leave

But this place
Will remain in my mind for ever till I
Break from these chains

Take away this feeling
Lost without a clue when I'm well aware
In circles
Running round in search of a better me
And I can leave

Nothing can keep this from burning out and fading
away
And I can leave
