Visit "[100th Digital Short](#)" on MotoLyrics.com

Hi. We're the guys who make the SNL Digital Shorts. I'm Andy.

I'm Jorma.

And I'm Justin Bieber!

(Akiva!)

Gesundheit.

Tonight we're celebrating our 100th short. So come with us, won't you?

-Let's Celebrate!-

Congratulations!

To us, to us

Truly a major milestone

A celebration! (Yes!)

Of us, of us

Here's what we're going to do

Gonna shake off the cobwebs and limber up

And stretch it out and do plenty of Pilates

'Cause tonight, tonight we're gonna suck our own d**ks

Wait, what?

What?

That's disgusting!

No, it's not.

Hey, look, it's Shy Ronnie and Reba!

It's a celebration and we're going to party

Y'know we getting naughty

Take it Shy Ronnie

(mumbling)

I'm a dude

Ronnie, bitch, and I rip you ass off me!

We've done the creep and punched people before eating

We've done things in our pants that don't bear repeating

Tonight, they're gonna suck their own d**k

I'm Reba!

Excuse I!

What is happening?

So shoot your laser cats and let the boombox pound
Raise up our glasses and
Throw it on the ground!
Alcohol is poison, man!
Take it Mahmoud
Body Fuzion lady

(In and over)
We put our junk in so many places
(Like where)
Each other's mothers and basebarrel vases
(All sale)
And now they're takin' them out of their boxes
(Yeah)
And puttin' them all up into our vases
(Let's go)
Dear Sister, ate Lettuce, and a Japanese Office
Had a Cherry Battle and stopped all Like Bosses
Peyton
And Horsen
They happen every Saturday
Pee-wee hit Anderson
Just ask Natalie

Yeah I had a baby (What!)
But I'm still crazy
Show my ass respect
But I make that d**k crazy (Hey!)

Jonah kissed his dad
And Gaga was golden
Ridin' on a boat with my man Michael Borton
Jack Sparrow
Sergio
Tortuga
Hey, I've never been here to digital shorts
But these white boys are obsessed with d**k

Why was I tricked into doing this?
I don't endorse this song
No no no no no no

Yes yes yes
I do endorse this song
My name is Will Ferrell and I'm sucking my own dong
Cheerleaders, Harry Caray, Jeopardy
I pleasure myself
Congratulations to me

Hey, come on man, this is our thing

Three 'Best Of's- count 'em bitch
Get out of here
Fine! I'll go by my own joys

(Take us home now)

100th digital shorts
Not-not-not ninety-nine!
It was on the earth they were daring to this (???)
(Hell yeah!)
And all of them were written by Lorne
(Lorne Michaels)
So tonight we're sucking our own d**k
(One hundred times)

One f**king hundred times
