Yeah
Backin' that ass

Your mom says "Hi" Jinx!

Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
Yeah yeah yeah no no
ah yeah yeah yeah
ah yeah yeah yeah
ah yeah yeah yeah
yeah yeah yeah yeah yeah yeah yeah JAM

Summertime in the city
And everybody's having sex

You know I just got a page from a girl that I met last
week at the Pay-less
Shoe Source
I also have a cutie to call who loves the way I knock on
her boots

Well it's time to mack
Let's handle that
In two-to-six hours,
We'll meet back here and regroup

Now let's shoot

Roll up to her crib with some Bartles & James
Hop off the bus with the Alizã©
Now hold up player, whatchu diggity-doing here?
I should diggity-ask you the same
And she sang

Hey, boys I want you both
I hope that you think that's cool
(Say word?)
I know most guys won't freak together
She forgot about the golden rule, a huh huh

It's OK when it's in a three-way
It's not gay when it's in a three-way
With a honey in the middle there's some leeway

The area's great in a one, two, three-way

Normally, I don't get down with dudes
But tonight is a special exception (Great)
See you're my best friend
Through thick and thin
Now it's time to make a triple connection

Lights off

Here in the dark (Here in the dark)
It's so hard to tell (So hard to tell)
Where her body ends (La la)
And my homie's begins (Ew wee)
This rule dates back (The Golden Rule)
To ancient Greece (Talkin' about Cesar)
We're two Jack Trippers and a Chrissy
The new Three's Company

It's OK when it's in a three-way
It's not gay when it's in a three-way
With a honey in the middle there's some leeway
The area's great in a one, two, three-way

Fellas. Get ready.
to impress a chick
Helicopter dick, go!
Helicopter dick. (uh)
Helicopter dick (alright)
to impress a chick
do the helicopter dick

Wow
And all of that was OK
Cause it was in a three-way
It's quite clear when you see the instant replay (boom)
Maybe two is enough
That's what they'll say
But we'll say, "Hell no! "
One, two, three-way

Yeah yeah yeah yeah yeah
The golden rule
