[John Waters]

Hey, I'm John Waters, and this is...  
The Creep.

[Lonely Island]

When you're out in the club and you see a fly girl  
Do the Creep (hah)  
Do the Creep (hah)  
And if you wanna make friends at the ATM  
Do the Creep (hoo)  
Do the Creep (hah)

[Andy Samberg]

Well, we got a new dance so get up on your feet  
It's real easy to do, and it's called 'The Creep'  
Let your arms flap around like a Marionette  
Pop your knees up and down, sh-sh-shaking your neck

[Akiva Schaffer]

Now pull your waistband up like you expectin' a flood  
And slick your hair down flat like it was covered in mud  
Trim up your pencil mustache and pop them peepers  
Put this in your speakers; you a certified creeper.

[Lonely Island]

When you see a country bitch, laying out at the beach  
Do the Creep (hah)  
Do the Creep (hah)  
And when a fine BYT walks in front of your tree  
Do the Creep (hoo)  
Do the Creep (hah)

[Andy Samberg]

I was six years old when I started creepin'  
My parents took it to their room and I started peepin'  
You can't imagine their surprise when they lifted their  
heads  
And saw my little ass creepin' at the foot of the bed

[Akiva Schaffer]

Yeah they knew I was a creep, since the day I was born  
Poppin' out my mamma like some kettle corn

Yeah the doctor caught my head and he started  
freakin'  
'Cause I came out clean -- and I came out creepin'!

[Lonely Island]  
Nicki,  
Nicki,  
Nicki, Nicki, Nicki  
Nicki!

[Nicki Minaj]  
When I was a girl, I creeped in the boys' locker room  
Hide deep inside -- it was my little creep stalker room  
As they disrobed, I was oogling and oggling  
Little did they know, that for me, they were modeling  
And I would laugh, ha-ha-ha-ha-ha-ha-ha, ha.  
And they would dance, la-la-la-la-la-la-la, la.  
So pop-pop-pop your peepers,  
and (sq-q-ueak) stick out your sneakers  
Don't sleep, come on get your Creep on with me!

[Lonely Island]  
Go on, get to sweatin' off a bride at her wedding  
Do the Creep (hah)  
And do the Creep (hah)

[Nicki Minaj]  
And when you sneak into a wake, and you see a  
beefcake  
Do the Creep (hoo)  
And do the Creep (hah)

[Lonely Island]  
And when the judge is a hottie and you can't control  
your body  
Do the Creep (hah)  
Do the Creep (hah)

[Nicki Minaj]  
So, get your knees flexin, and your arms T-rexin',

[All]  
And Creep (hoo)  
Do the Creep! (hah)

[John Waters]  
And don't forget to smile!
