Tunnels

Circling 'round to my lair

Hunters

We come in packs so beware

Marching in this labyrinth village

Troll-king claims his maverick home

Wretching in his cavernous castle

Chewing on flesh, gnawing on bones!

Goblins

Creeping fast through my halls

Talons

Scraping blood from the walls

Games and crafts performed by my fathers

Tossing heads of curious dwarfs

Called us cruel and heartless marauders

Invading our caves, starting our wars

Caverns

Burn the path to my lair

Demons

Around each corner they bark

Red eyes

They glow like jewels in the dark

Troglodytes are curious creatures

Marching through reptilian realms

Smell the blood of human invaders

Feast on their limbs, bury their helms

Axes

Chopping limbs from the beasts

Tridents

Bathed in the blood of the priest

Slaughtering this humanoid village

Females kneel and bark at my throne

Wretching in my cavernous castle

Chewing on flesh, gnawing on bones!
