You looked so happy
When I saw you with her
And I'm so glad
I knew you before you met her
So I know
How guys are before they get her.

I've got it down
You showed me again
Just so you know.
Don't push me around
I know you resent that I'm alone
Pity and mercy
Do nothing for me
You know me better than anyone.

Go get your girl
She's looking at you like you're crazy.
We can pretend you never even knew me.
It would work out
Don't let go of that one
And I'll find mine.

Run into you
Everytime I walk out my door.
Oh, it's precious
You've never held my hand like that before.
No need to stop and wave,
You stay calm and I'll be brave.
Don't ever look down on me
Don't ever feel bad for me.

I've got it down
You showed me again
Just so you know.
Don't push me around

I know you resent that I'm alone
Pity and mercy
Do nothing for me
You know me better than anyone.

Go get your girl
She's looking at you like you're crazy.
We can pretend you never even knew me.
It would work out
Don't let go of that one
And I'll find mine.

Oh, find mine.
Find mine.
Look at me look at me,
I've got time to find.
Mine. [4x]

I've got it down
You showed me again
Just so you know.
Don't push me around
I know you resent that I'm alone
Pity and mercy
Do nothing for me
You know me better than anyone.

Go get your girl
She's looking at you like you're crazy.
We can pretend you never even knew me.
It would work out
Don't let go of that one
And I'll find mine.
I'll find mine
I'll find mine
