I can do whatever I want like you
I can do whatever I want like you
I can do whatever I want like you
Like You

She began to die
Indiana that's not right
Indiana that's not right
She began to fight
Indiana make it mine
Indiana make it mine

So pale and white
So inclined to do what 's right
Colonel sir, I feel lonely tonight
She's strong but an obedient wife

I can do whatever I want like you
I can do whatever I want like you
I can do whatever I want like you
Like You

She began to die
Indiana that's not right
Indiana that's not right
She began to fight
Indiana make it mine
Indiana make it mine

Such honest eyes
No time to run and ride
Colonel sir I feel lonely tonight
She's strong but her mind is losing light

I can do whatever I want like you
I can do whatever I want like you
I can do whatever I want like you
Like You

She began to die
Indiana that's not right
Indiana that's no life

She began to fight
Indiana make it mine
Indiana make it mine

I know, I know
She's alone
I know, I know
She's alone
Alone

She began to die
(I can do whatever I want like you)
That's not right you know
(I can do whatever I want oh no)
Indiana that's not right
(I can do whatever I want like you)
She began to fight
(I can do whatever I want like you)
Indiana make it mine
Indiana make it mine
