R-E-A-L

We are fighting as the mighty real
We came together if you're wondering how
We've got the courage needed to never
Be defeated
Man your battle fields now
They lead the way to the front lines
They are the red and the blue army

R is for Royal

E is for Everybody

A is for Armor

L is for the Love of the game

We are fighting as the mighty real
We came together if you're wondering how
It's a solid line
We got the pattern goin' we fight as hard as
We play
They lead the way to the front lines
They are the red and the blue army
They fought their way through the hard times
They are the red and the blue army

R is for Royal

E is for Everybody

A is for Armor

L is for the Love of the game

R-E-A-L! R-E-A-L!

The battle as begun
We're movin' all as one
Hear us now
We never will back down
The battle has begun
We're movin' all as one
Tall and proud
Worthy of the crown!

R is for Royal

E is for Everybody

A is for Armor
L is for the Love of the game

The battle as begun
We're movin' all as one
Hear us now
We never will back down
The battle has begun
We're movin' all as one
Tall and proud
Worthy of the crown!
