When we're comfortable and we're all grown up
when it's all said and done will you still love me?
when those younger girls are more beautiful
and I'm old but I'm still tryin' will you still love me?

Will you still get up when I walk in?
Will we still make love without stoppin' to breath?
Oh baby will you still love me?

When that man pulls up, gets his papers out,
when it's all said and done will you still love me?
If we lose our home and our children go
when it's all said and done will you still love me

Will you still get up when I walk in?
Will we still make love without stoppin' to breath?
Will you still stand up when I'm broken
will you still bother without choosin' to leave oh baby
will you still love me?
