Get up and go.
I know you want her.
I can see it in your eyes.
Boy don't even try and hide.

What else must you know.
Don't analyze.
Love can be so simple.
When you leave your past behind.

Go and get her, go and get her.
Ya she's waiting for you.
Ya she's waiting for you.
Don't you bother, don't you bother,
With what you're gonna say,
With what you're gonna do.
It'll come to you.

You feel ashamed.
You walked away.
She's already forgiven you.
And I know you know this too.

When you're feeling like the world is empty.
You'll find her love, cause it's ready.

So go and get her, go and get her.
Ya she's waiting for you.
Ya she's waiting for you.
Don't you bother, don't you bother,
With what you're gonna say,
With what you're gonna do.
It'll come to you.

So you're feeling unsure,
But you know it feels right.
Baby's green eyes know no boundaries.
Everything in life you need is free.
I said, everything in life you need is free.

Go and get her, go and get her.
Ya she's waiting for you.
Ya she's waiting for you.
Don't you bother, don't you bother,
With what you're gonna say,

With what you're gonna do.
It'll come to you.

Ya she's waiting for you.
Gotta get up and go.
Ya she's waiting for you.
