Just go, Just walk away,
so bittersweet, you're already far away.

Take with you, our memories
They're opening like summer flowers.

Don't you be fooled
I loved you more, than I would ever dare tell you,
I'd ever dare tell you.

I'll let you go, I'm only holding you back,
You're more than a small town,
you're more than a small soul.

Close those pretty eyes. Don't look behind.
What did I tell you?
That past is past, don't let it follow you.
Don't think, that by any day....I'll forget your face.
How could one forget you?

Don't you be fooled
I loved you more, than I would ever dare tell you,
I'd ever dare tell you.

I'll let you go, I'm only holding you back,
You're more than a small town,
you're more than a small soul.

Hard to let go of something once you get hold of it...
once you get hold of it, ya.
Don't you think for a moment....
that you aren't worth all of it.

Don't you be fooled
I loved you more, than I would ever dare tell you,
I'd ever dare tell you.

I'll let you go, I'm only holding you back,
You're more than a small town,
you're more than a small soul.

Just go, Just walk away.
