Out on the tar plains the glides are moving  
All looking for a new place to hide  
You sit beside me so newly charming  
Sweating dewdrops glisten freshing your side  
Way down the lane away living for another day  
The aphids swarm up in the drifting haze  
Swim seagull in the sky towards some hollow  
Western isle  
My envied lady holds you fast in her gaze  
And the sun drips down bedding heavy behind  
The front of your dress all shadowy lined  
And the droning engine throbs in time  
With your beating heart  
Sing blue Silver  
And watching lovers part I feel you smiling  
What glass splinters lie so deep in your mind?  
To tear out from your eyes with a word to stiffen  
Brooding lies  
And I'll only watch you leave me further behind...
