[CHORUS]

Falling apart  
How come I don't love you but  
You're still breaking my heart  
Falling apart  
How come I don't love you but  
You're still breaking my heart  
Breaking my heart

Obsessed  
Depressed  
Regardless I'm restless  
I'm going insane  
I've got to be with you  
Breathe into your lips  
I cry out your name  
Endless regrets  
All bets are off  
I'm going down the drain  
I tried to leave you this time  
You beat me to it again

Rain falling down  
It hits the ground  
Where I watched you drive away and leave this town

[CHORUS]

Falling apart  
How come I don't love you but  
You're still breaking my heart  
Falling apart  
How come I don't love you but  
You're still breaking my heart  
Breaking my heart

Hang up the phone  
Can't leave you alone  
You gave me all of the reasons you were leaving me  
If I'd only known  
Three weeks  
No sleep  
I'm feeling weak

I know it's no use driving around  
Just hopin' you're out walking at the end of my street

Rain falling down  
It hits the ground  
Where I watched you drive away and leave this town

[CHORUS]  
Falling apart  
How come I don't love you but  
You're still breaking my heart  
Falling apart  
How come I don't love you but  
I'm still falling apart  
Falling apart  
How come I don't love you but  
You're still breaking my heart  
Breaking my heart
