(Intro)

What do you see, my love?  
Staring at me that way?  
Your tears could fill up this room  
I'd still have nothing to say

(Verse 1)

You are my prisoner  
Tied up, you're cute in your chair  
Pullin' at your hair won't settle it  
But whoever said that life was fair?

(Chorus)

I won't give you the luxury  
Of taking away your all love from me  
Locking the door, throw away the key  
Misery loves company

(Verse 2)

You claim that you don't know  
The cause of your situation  
Did you think I would forget  
The years of our frustration?

I think this punishment  
Is due to fit the crime  
I am your judge and your sentence  
Well, that's 'till the end of time

(Bridge)

?

(Chorus x2)

I won't give you the luxury  
Of taking away your all love from me  
Locking the door, throw away the key  
Misery loves company

I won't give you the luxury  
Of taking away your all love from me  
Locking the door, throw away the key

Misery loves company

(Outro)

Lock-k-kin' the do-oo-or

Misery loves company

Misery loves company

Misery loves company

Misery loves company
