Came home and you were on the phone with your  
girlfriend  
Again today so I went away

You're in my room telling her I love you I need you  
Oh oh baby well isn't it time you moved away

I can't stand waiting around 'til she's gone  
Spend some time with you but what can I do  
Livin' together is fun cause baby I love you so  
It's just that we we broke up a month ago

[CHORUS]

When you were my boyfriend  
I gave you my heart and my body that's for sure  
Now that you have a girlfriend  
I don't think that I want you around here anymore  
When you were my boyfriend  
I gave you my heart and my body that's for sure  
Now that you have a girlfriend  
I don't think that I can take it anymore

At night when we sleep I pretend I'm your girlfriend  
I hold you close to hear your dreams  
I whisper things in the dark that you won't remember  
Oh oh baby don't you still want me

You don't pay our rent and I don't get no action  
And you still wear all my clothes  
I can't leave you if you won't leave my apartment  
You gotta let me go and set me free

Go and set me free  
Go and set me free  
Go and set me free  
Go and set me free

[CHORUS]

When you were my boyfriend  
I gave you my heart and my body that's for sure  
Now that you have a girlfriend  
I don't think that I want you around here anymore

When you were my boyfriend  
I gave you my heart and my body that's for sure  
Now that you have a girlfriend  
I don't think that I can take it anymore
