I may never ever find an answer
I may never ever find a cure
I may never risk another lover
Oh, believe me.

I may never ever walk on water
I may never ever walk away
I may never get the chance to tell you
Oh, believe me.

Oh my heart, I want you to be strong, I need you to be
all I believe in (x2)

I may never wait to see tomorrow
I may never live to seize today
I may never ever ask forgiveness
Oh, believe me.

I may never ever rise above you
I may stumble as I lose my way
I may never find the words to tell you
Oh, believe me.

Oh my heart, I want you to be strong, I need you to be
all I believe in (x2)

I may never ever find an answer

Oh, believe me.
