I'm spinning around and around ooh

I'm walking on cloud nine

I'm just about to blow my cool

If I don't unwind

I'm spinning around

Spinning around

Spinning around

Spinning around

I must be falling in love

Baby

I must be falling in love

'Round and around and around

I'm spinning around I can't stop

I've lost my self-control

I'm spinning around 'til I drop

I'm whipped down to the soul

I'm spinning around

Spinning around

Spinning around

Spinning around

I must be falling in love

Baby

I must be falling in love

Turning around

I'm upside-down

Like a feather swift

The wind will blow my mind

The wind will blow my mind

Won't let me stop

Spinning around

Spinning around

Spinning around

Spinning around

I must be falling in love

Baby

I must be falling in love

I'm falling

I must be falling in love

Baby

I must be falling in love
