You've Been My Inspiration - Main Ingredient

When you've found a girl with loving charms
its mellow oh yeah
When she runs smack into your arms
its mellow oh yeah

Looking over my yesterdays, I find my life complete
I found you girl and joy is placed here at my feet
You make my cloud day see right
You keep me happy baby, morning, noon and night

You've been my inspiration
you're quite a sensation
and I love you

Yes, you've been my inspiration
you're quite a sensation
and I love you baby

I thank the Lord above for sending you to me
you gave me faith and hope, you taught my heart to
see
Your sweet kiss warms me up inside
It lifts my heart higher
Helps to build my pride

You've been my inspiration
you're quite a sensation
and I love you

Yes, you've been my inspiration
you're quite a sensation
and I love you baby

Yes, you've been my inspiration
your quite a sensation
and I love you baby
