Watch out boys
Look who's comin' down the street
Oh yeah, she's a troublemaker
Oh yeah, she's a troublemaker

Here she comes
Walkin' on down the street
Look at her
She looks so very sweet
But watch out, she's a troublemaker
Watch out, she's a heartbreaker
She'll break your heart
Tear it apart

Have you heard (Have you heard)
She broke up Jerry & Joan (Oooooow)
Found somebody new (Oooooow)
Now Jerry's all alone
So watch out, she's a troublemaker
Watch out, she's a heartbreaker
She'll break your heart
Tear it apart

(Ahhhhhhhhh)
She's just out to see
How many love affairs she can break up
So if she tells you to quit your girl
You better wake up, no don't you break up

She's the kind (Yes she is)
To kiss and a run away (Oooooow)
I should know (Oooooow)
She was mine only yesterday
So watch out, she's a troublemaker
Watch out, she's a heartbreaker
She'll break your heart
Tear it apart

{solo}

She's the kind (Yes she is)
To kiss and a run away (Oooooow)

I should know (Oooooow)
She was mine only yesterday
So watch out, she's a trouble maker
Watch out, she's a heartbreaker

Watch out boys
Look who's comin' down the street
Oh yeah, she's a troublemaker
Watch out boys
Look who's comin' down the street
Oh yeah, she's a heartbreaker
Watch out boys
Look who's comin' down the street
Oh yeah, she's a troublemaker
Watch out boys...
