Celebrity smirk betrays your soul  
Trapped in glass with nowhere to go  
Limbo water in your hole  
When all you really want to do is smile

Smile in a jar  
You know you wanted to  
Smile in a jar  
When you're feeling blue  
Smile in a jar  
It's really so bizarre  
Smile  
Smile  
Smile in a jar

A shadow of your former self  
Head sat on a dusty shelf  
People drinking to your health  
When all you really want to do is smile

Smile in a jar  
You know you wanted to  
Smile in a jar  
They've plastinated you  
Smile in a jar  
You can't play your guitar  
Smile  
Smile  
Smile in a jar

Flesh falls from the dead man's soul  
His blood still warm in the proctor's bowl  
A frozen frown that says it all  
When all you really want to do is smile

Smile in a jar  
You know you wanted to  
Smile in a jar  
The public look at you  
Smile in a jar  
It looks just like a scar  
Smile

Smile  
Smile in a jar

Smile in a jar  
You know you wanted to  
Smile in a jar  
The things that people do  
Smile in a jar  
Now you're a real star  
Smile  
Smile  
Smile in a jar
