Oh, I'm walkin' through the city
It's lonely heartbreak streets
The wind gives a chill
And the sun begins to weep

Oh, I don't know where I'm goin'
And I don't know where I've been
But the night's coming down
And I'm feeling good again

Cheap wine
And cheaper women
Oh, give me cheap wine
And cheaper women and I may

I had myself a lady
To hold me tight and warm
To keep out the cold
And make love 'till the dawn

She loved me tender
And she loved me sweet
But then she kicked me out
And now I'm on the street

Cheap wine
And cheaper women
Ooh, give me cheap wine
And cheaper women, oh yeah

Women come and go
They never do remain
They take more than they give
But it's me who's to blame

I'm at the bottom of the bottle
And nothin's all I got
Yeah, it may not be the answer
But it sure does hit the spot

Cheap wine
And cheaper women

Oh, give me cheap wine
And cheaper women, oh yeah

Oh, give me cheap wine
And cheaper women, oh yeah
I said, give me cheap wine, yeah
And cheaper women, oh yeah
Oh, give me cheap wine
