"Devil's Child"

I never had a chance at a normal life
Coz at glance I'm trouble and strife
So don't patronize or sympathize
Coz what you say is twisted lies

I'm the devil's child
Devil's Child
I'm the devil's child
I've never seen the light
I'm the devil's child
Devil's Child
I'm the devil's child

With no future for me in this society
I walk these streets endlessly
Getting arrested and getting locked up
I'm the underdog but I won't give up

I'm the devil's child
Devil's Child
I'm the devil's child
I've never seen the light
I'm the devil's child
Devil's Child
I'm the devil's child
I do what I like

With no future for me in this society
I walk these streets endlessly
Getting arrested and getting locked up
I'm the underdog but I won't give up

I'm the devil's child
Devil's Child
I'm the devil's child
I've never seen the light
I'm the devil's child
Devil's Child
I'm the devil's child
I do what I like

I'm the devil's child
Devil's Child
I'm the devil's child
I've never seen the light
I'm the devil's child
Devil's Child
I'm the devil's child
I'm runnin' wild
Devil's child and I do what I like
