Out on the city, It's late at night
She's so pretty, In the moon so bright
Well you walk into a bar, The band is playin loud
You're rocking so hard, And si is the crowd
She's hot and innocent, But she's in demand
She's on the mind of every red-blooded man

She's Hotter than Hell
She's Hotter than Hell
She's Hotter than Hell
She's Hotter than Hell

When your cruising the beat, You got nothing on your
mind
And a girl on the street, She catches your eye
She got hot red lips, With angel's eyes
Swingin her hips, From side to side
She's hot and innocent, But she's in demand
She's on the mind of every red-blooded man

She's Hotter than Hell
She's Hotter than Hell
She's Hotter than Hell
She's Hotter than Hell

Hotter than Hell

Hotter than Hell
Hotter than Hell
Hotter than Hell

Out on the city, it's late at night
She's so pretty, In the moon so bright
Well you walk into a bar, And the band is playing loud
You're rocking so hard, And so is the crowd
She's hot and innocent, But she's in demand
She's on the mind of every red-blooded man

She's Hotter than Hell
She's Hotter than Hell
She's Hotter than Hell
She's Hotter than Hell

She's Hotter than Hell
Hotter than Hell
Hotter than Hell
Hotter than Hell
Hotter than Hell
Hotter than Hell
Hotter than Hell
Hotter than Hell
Hotter than Hell

Whoa Hotter than hell
My baby is hot, I'm burning up, Call the fire brigade, Oh
yeah
Hot hotter than Hell
