I'm gonna stick it in
Right to the top
I'm gonna make it hop
And never make it hot
And never cool off
Cause my love you can't deny
It's as true as a lie
You're the perfect combination
To blow my mind

When you pull the trigger
Baby, pull my trigger

My dynamite will blow you sky high
And get ya moanin' after midnight
My dynamite will blow you sky high
And get ya moanin' after midnight

I'm a human sponge
For your love
And once you squeeze
Baby I can't get enough
Cause it's runnin' down your legs
I'm here to clean it up
I won't stop till I taste the dregs
On the edge of my tongue

When you pull the trigger
Baby, pull my trigger

My dynamite will blow you sky high
And get ya moanin' after midnight
My dynamite will blow you sky high
And get ya moanin' after midnight
Get it in to ya

My dynamite will blow you sky high
And get ya moanin' after midnight
My dynamite will blow you sky high
And get ya moanin' after midnight
My dynamite will blow you sky high

And get ya moanin' after midnight
My dynamite will blow you sky high
And get ya moanin' after midnight
