ohohohoh oohohohoh ooh ooh

Oh yeah  
I went down to the crossroads  
Make a deal with the devil  
Strapped my soul for a guitar  
Became a rock'n'roll rebel  
He put fire in my fingers  
And whiskey in my blood  
He said take this six strings  
And burn heaven above

Are you ready?  
Are you ready?  
You better get ready  
Once we start we never stop  
Get ready to rock  
Ready to rock  
Get ready to rock  
Ready to rock

Got thunder and  
Lighting crashing all around  
The power is frightening  
One hell of a sound  
And heaven's on fire  
The needle's in the red  
The flames are getting higher  
We're goin' over the edge

Are you ready?  
Are you ready?  
You better get ready  
Once we start we never stop  
Get ready to rock  
Ready to rock  
Get ready to rock  
Ready to rock  
Are you ready to rock?  
Are you ready to rock, to rock'n'roll?

Whaou! Oh yeah, c'mon! Oh yeah!  
Let's go. Encore, can you feel it?  
Just a little bit louder c'mon  
Just a one more time c'mon  
Once we start we never stop

Get ready to rock  
Ready to rock. Get ready to rock  
Ready to rock  
Get ready. Get ready to rock  
Ready to rock. Get ready to rock  
Ready to rock, are you ready?  
Are you ready to rock?  
I said are you ready to rock?  
I said are you ready to rock?  
Are you ready to rock?  
To rock to rock to rock  
To rock'n rock'n roll!

Oh get ready to rock c'mon!  
Let me hear you! Get ready to rock  
Ready to rock baby, get ready to rock  
Ready to rock. Ready to rock  
Get ready to rock rock rock.  
Ready to rock
