Honey you are my shining star
Don't you go away
Oh baby, wanna be
Right here where you are
Till my dying day, oh yeah
So many have tried
Tried to find a love like yours and mine
Hmmmm mmmmm mmmmm
Girl don't you realize
How you hypnotize
Make me love you each time, yeah baby
Honey I know I leave you lonely
Give my love to you only
To you only, to you only
Honey you are my shining star
Don't you go away
Oh baby, wanna be
Right here where you are
Till my dying day, yeah baby
Feel so good when we're lying here
Next to each other lost in love, yeah baby
Baby when we touch, I love you so much
You're all I have with me now, yeah baby
Honey I know I leave you lonely
Give my love to you only
To you only, to you only
Honey you are my shining star
Don't you go away
Oh baby, wanna be
Right here where you are
Till my dying day, yeah baby
You are my shining star
Don't you go away, oh-o-o baby
Honey you are my shining star
Don't you go away, oh-o-o baby
Honey, right here where you are
Till my dying day, ahhhh yeah
Honey you are my shining star
My shining star
Honey you are my star
Don't you go away, yeah baby

Honey you are my shining star
Don't you go away, oh-o-o baby
