Come on pretty baby and I don't mean maybe
Come on baby, make with the shake

Here we go a-strollin'
And we need no rock-and-rollin'
Come on baby, make with the shake

Come on, come on
Come on pretty baby, make the shake

[CHORUS]
Shake it pretty baby to the north
Shake it pretty baby to the south
Shake it pretty baby to the eath
Shake it pretty baby to the west
North, south, east, west
Shake it pretty baby, like the rest
Shake, shake

Start the Earth a-quakin'
And I really mean it's shakin'
Come on baby, make with the shake

Come on pretty baby and I don't mean maybe
Come on baby, make with the shake

Come on, come on
Come on pretty baby, make the shake
Shake, shake

[Repeat CHORUS 2x]

Come on pretty baby and I don't mean maybe
Come on baby, make with the shake

Here we go a-strollin'
And we need no rock-and-rollin'
Come on baby, make with the shake

Come on, come on
Come on pretty baby, make the shake
Shake, shake

[Repeat CHORUS]
