The merry-go-round  
Appreciates your quarter  
But do you?  
Give yourself away in an envelope  
To the world  
Please turn off the sun when its not in use  
Its endearing how i cant  
Work you out at all

So kiss these lips good-bye  
My ways, w'll make your eyes cry  
I'll catch the elevator just in time  
For you to cue-the-violins  
And hey miss splendor pretender  
I guess im leaving 'cause i know it wont work  
So cue the violins

I'll stick around, I'll sleep on my friends floor  
and I'll write you a letter from the porch  
to say... "I miss you, its over"  
"Complications took over us"  
"You're gone, amazing"  
"The world thinks I'm crazy to let you go!"

So kiss these lips good-bye  
My ways, w'll make your eyes cry  
I'll catch the elevator just in time  
For you to cue-the-violins  
And hey miss splendor pretender  
I guess im leaving 'cause i know it wont work  
So cue the violins

I hear you're doing just fine  
But i bet you've ripped up all  
The postcards, i sent to you  
You were truly my best friend  
But i guess that message  
Never..got.. through

So kiss these lips good-bye  
My god, you have beautiful eyes  
Cue the violins, Cue the violins

And hey miss splendor-drama-queen  
i guess I've left you a memory

Cue the violins  
Cue the violins
