No scripts for normal people,  
We haven't had a minute to think about our lines  
And everybody's ideals drop down,  
Too bad, and stupid,  
Hey miss Hollywood Actress,  
Collagen for breakfast? Yeah!

Covered in glitter, but I'm not shining  
Like you do, maybe I could  
Maybe I could soon,  
American melodrama episode  
Right now... with you!

Don't dance unless they pay,  
So you can afford to call in sick...  
...to think of me,  
At least you'll have nice thoughts this afternoon,  
You stole my lips, and tangled them without intent  
Kiss and tell the radio...  
Lose your dress darling  
You wont need it here  
Lose...

Covered in glitter, but I'm not shining  
Like you do, maybe I could  
Maybe I could soon,  
American melodrama episode  
Right now... with you!

Covered in glitter, but I'm not shining  
Like you do, maybe I could  
Maybe I could...  
American melodrama episode  
Right now!

So what to do?  
(I really thought I could) forget you, forget you,  
It's all down to you

Lose, lose you [x2]
