I Ain't Got To Love Nobody Else  
I Ain't Got To Love Nobody Else  
I Got You

If the whole world turned it's back on me,  
I wouldn't lose a thing, oh no,  
Because I've got my baby,  
And to me the girl means every-everything, yeah

I Ain't Got To Love Nobody Else  
I Ain't Got To Love Nobody Else  
I Got You

Don't need no friends,  
I don't need no friends at all  
(Chorus: she's my baby and I love her)  
'Cause when I'm down,  
Yours is the only name I know to call  
(Chorus: she's my baby and I need her)

I Ain't Got To Love Nobody Else  
I Ain't Got To Love Nobody Else  
I Got You

If the 10 most beautiful women in the world,  
If they wanted me,  
I'd have to say no  
Cause I belong to my baby

I Ain't Got To Love Nobody Else  
I Ain't Got To Love Nobody Else  
Don't you know, I Ain't Got To Love Nobody Else...
