When I first met you
I knew you were the one
Till you took me home and I met her
She had your boxers on
She was listening to your song
And I thought right
Then that you had everything

But I knew
She was jealous from the start
Yeah I knew
She was jealous from the start

Cos I know better
Not to be friends with boys with girlfriends
Oh I know better than that I know better
You play the victim and I'll be the bad guy
I know better than that, I know better
(Oh oh oh oh oh oh X 2)

We started hanging around after 9
I couldve sworn you I was yours
You looked at me and said
It's a little too late for bed
We went to hopesal and
Talked about everything

But I knew
She was jealous from the start
Yeah I knew
She was jealous from the start

Cos I know better
Not to be friends with boys with girlfriends
Oh I know better than that I know better
You play the victim and I'll be the bad guy
I know better than that, I know better
(Oh)

What she did to us was tragic
Oh oh oh
And I have to do what's right

Oh oh oh
What we had was really magic
Oh oh oh
But I have to get what's mine
Oh
I don't get what's mine
And you get yours

Cos I know better
Not to be friends with boys with girlfriends
Oh I know better than that I know better
You play the victim and I'll be the bad guy
I know better than that, I know better
(Oh)
X 2
