One day  
We'll get out of this shitty apartment  
One day  
Is all it takes for things to turn around now  
All I know  
Is I got you and you got me babe  
And when that morning comes I'll make coffee and  
you'll read the paper  
We'll talk about our plans and I'll keep saying how lucky  
we are

One day  
We'll get in the car and drive anywhere we wanna go  
And then we'll stay in a five star mini bar luxury hotel  
room  
Cause all I know is I got you and you got me babe  
And when that morning comes I'll make coffee and  
you'll read the paper  
We'll talk about our plans and I'll keep saying how lucky  
we are  
How lucky we are  
Oh oh ohh  
How luck we are  
Oh oh ohh  
How lucky we are  
Oh oh ohh  
How lucky we are

Ooh ooh oh  
Ooh ooh oh  
Ooh ooh oh  
Ooh ooh oh

One day  
We'll turn on the tv and won't see nothing 'bout war  
And when that morning comes I'll make coffee and  
you'll read the paper  
We'll talk about our plans and I'll keep saying how lucky  
we are

How lucky, how lucky, how lucky we are  
Oh

How lucky, how lucky, how lucky we are  
Oh  
How lucky, how lucky, how lucky we are  
Oh  
How lucky, how lucky, how lucky we are
