We always were the breadcrumbs
Those kids your parents called hoodlums
Crawling through a big city full of small crimes
Good things happen to bad seeds alright sometimes
But we dont know when woah oh oh
No we dont we just dont know when woah oh oh
You dragged me out of that hotel
And there was no way in hell
we would ever make it
You might as well be naked
with the crossbone t-shirts stretched
all across your healthy breasts
on the interstate again
Bad seeds in the wind
You came home with a briefcase
you aquired from the wrong place(at the wrong time)
we kept watch from the 3rd floor, through draw blinds
but good things happen to bad seeds sometimes
But we dont know when woah oh oh
No we dont we just dont know when woah oh oh
You dragged me out of that hotel
And there was no way in hell
we would ever make it
You might as well be naked
with the crossbone t-shirts stretched
all across your healthy breasts
on the interstate again
Bad seeds in the wind
Im a bad seed, your a bad seed
Plant a kiss on my cheek and say you love me x3
Im a bad seed, Your a BAAAAAAD SEEEEEED
You dragged me out of that hotel
And there was no way in hell
we would ever make it
You might as well be naked
with the crossbone t-shirts stretched
all across your healthy breasts
on the interstate again
Bad seeds in the wind
Bad seeds in the wind
A Na Na will never make it
Bad Seeds in the wind
