You may, you may wake  
Lazier than the furniture  
Lazier than the furniture  
Lazier than the furniture, Lazier than the furniture

You may, you may wake  
You may, you may wake  
You may, you may wake  
To a change of heart, with the same old ache  
(it's the same old ache)

Lazier than the furniture  
Lazier than the furniture  
Lazier than the furniture, Lazier than the furniture

You may, you may wake

as E. Von Dahl in a twist of fate  
To your candles and cake as the dusk breaks

Lazier than the furniture, Lazier than the furniture

You may, you may wake  
Lazier than the furniture  
You may, you may wake  
Lazier than the furniture  
You may, you may wake  
Lazier than the furniture  
Lazier than the furniture, Lazier than the furniture
